PROFESSIONAL SUMMARY

Highly motivated Junior Full Stack Developer with practical experience in building modern web applications. Proficient in both modern Front-End technologies (**React.js, Next.js, JavaScript ES6+**) and Back-End development (**PHP, Laravel, MySQL**). Demonstrates strong problem-solving skills developed through hands-on internship experience and continuous self-learning. Eager to contribute to dynamic software teams and build scalable digital products.

TECHNICAL SKILLS

Frontend:	React.js, Next.js, Vue.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, Sass
Backend & DB:	PHP, Laravel, MySQL, RESTful APIs, Node.js (Basics)
Tools & Workflow:	Git, GitHub, Command Line (CLI), Gulp.js, Jest, Webpack / Vite

WORK EXPERIENCE

Full Stack Developer Intern — Createivo

Jun 2024 – Sep 2024

Mansoura, Egypt

- Developed and integrated dynamic web interfaces using JavaScript, PHP, and Laravel for active client applications.
- Engineered relational database schemas and optimized REST APIs using MySQL and PHP/Laravel.
- Collaborated with senior engineers in a sprint environment to refactor existing code bases and boost client application responsiveness.

EDUCATION

Bachelor's Degree in Management Information Systems (MIS)

Sep 2026 – Present

Higher Institute for Management & Information Systems

Current 1st Year Student focusing on Software Engineering, Systems Analysis, and Database Management.

FEATURED PROJECTS

E-Commerce & Book Store Platform — GitHub Repository

Built a full-featured online book store using **Laravel & MySQL**. Implemented user authentication, role management, dynamic shopping cart logic, and administrative control panels.

Interactive Web Applications & Dashboards — Live Portfolio

Designed responsive UI/UX dashboards and interactive web apps using **React.js, Tailwind CSS, and Vue.js**. Focused on modern design patterns, component modularity, and smooth API integration.

COURSES & TRAINING

- **Front-End Web Development** — Elzero Web School
- **Full Stack Web Track** — Createivo Training Center

LANGUAGES

- **Arabic:** Native Speaker
- **English:** Proficient / Technical English
